

DATA ROOM

The **Data Room** is a platform created to provide access to detailed documents and information regarding the **Strategic Mineral Reserve Areas (AEM)** that will be awarded through the Mining Round for copper, gold, and polymetallic minerals.

Who can access the Data Room?

Access is available to participants who have been granted **"enabled" (habilitación)** or **"restricted enabled" (habilitación restringida)** status, provided they meet the following requirements:

- Receive an access notification from the **National Mining Agency (ANM).**
- Pay the Data Room access fee.
- Define and register the authorized person(s) representing the participant or interested party.
- Register the required access time.
- Submit a statement of acceptance regarding the terms of use for information, data, and documents.
- Meet connectivity and access conditions.

For more details, refer to **Section 5: "Requirements and Conditions"** of the SGC Virtual Data Room Information Access Guide (Annex 11).

Are there policies for the use of the information consulted in the Data Room?

Enabled or restricted-enabled participants interested in accessing the Data Room may view and consult documentation and information that may be related to the Contract and the Strategic Mineral Reserve Areas (AEM). Access to this Data Room will be for a specific period and will be governed by the terms set forth in Section 6: "Information Access Guide for the SGC Virtual Data Room". Information Access Guide for the SGC Virtual Data Room (Annex 11)

How to Access the Data Room?

Enabled or restricted-enabled participants interested in accessing the Data Room must request access by sending an email to **promocion@anm.gov.co,** including the following information:

- -Company
- -Tax ID (NIT) or equivalent
- -Name of the authorized representative
- -Identification Document
- -Phone Number
- -Nationality
- -Address
- -Email Address

Process and Terms

Coordination: After receiving the request, the ANM notifies the Colombian Geological Survey (SGC) to coordinate the interested party's access.

Further Information: For more details, consult Section 7 "Development" of the SGC Virtual Data Room Information Access Guide (Annex 11).

Terms of Service: Specific service conditions have been established to ensure proper use of the platform and optimize your experience.

Service Guidelines: Please refer to Section 8 "Terms of Service" of the SGC Virtual Data Room Information Access Guide (Annex 11).

Is there a cost for accessing the Data Room?

Access Fee: The cost is **USD923.44** per 8-hour session, including VAT.

Refund Policy: This amount is **non-refundable** under any circumstances, even if the requested access is not used.

Payment in COP: The price may be paid in Colombian Pesos, calculated at the Official Market Exchange Rate **(TRM)** published by the Banco de la República, valid on the day of payment.

International Payments: Payments from abroad can be made in U.S. Dollars (USD) or its equivalent in **Euros (EUR)** or **British Pounds (GBP)** at the exchange rate on the payment date.

Any updates or issues regarding the access and use of the platform can be reported via email to:
